WRITING THE FUTURE OF OUR LIBRARY

Capital Campaign At-a-Glance

WHO?

The public library has been part of Eau Claire since 1858. For over 160 years, it has given members a chance to discover, explore, and connect. With more than 1,200 daily visitors, the public library is downtown's most visited place.

WHAT?

We are now raising money so that the library can help everyone in the Eau Claire area. The Story Builder Campaign will get \$11.5 million from the City of Eau Claire for fixing the building, but we still need to raise \$7 million to reach the goal to expand the library.

WHAT DO WE NEED?

- A 200-seat program space
- Larger children's programming space
- Rooms for meetings, big and small
- Quiet places for studying
- Rooms for tweens and teens
- More bookshelves
- More computer stations
- A learning lab for all ages
- Larger children's play-and-learn space
- New restrooms
- And so much more

WHEN?

The Story Builder Campaign will start in September 2019 and end in 2020. Work would start in 2021.
